Dear Parents / Guardians:

We recognize you are faced with an incredibly complex web of choices when assessing educational opportunities for your children. We are thrilled that you have chosen Regina Catholic Schools for your child's high school experience! We commit to living out our vision: *to provide a high-quality Catholic education that is faith-based, student-centred and results oriented.*

Regina Catholic's reputation for academics and extra-curricular opportunities is exemplary due to the talent and dedication of our incredible staff. We are proud to offer a rich variety of programming to suit the interests of your children, and to prepare them for whatever path they choose after graduation. We value the opportunity to share a Catholic faith-based educational experience and believe our unique learning environment supports all learners. Thank you for choosing our family to be the foundation of your child's high school experience.

Sincerely,

Sean Chase
Director of Education
